

## POWERFUL HEALING PRAYER

In the name of the Lord, I release the healing power of Jesus Christ to flow throughout my every cell, tissue, organ, and system, to cleanse them from all impurities of death, sickness, and disease. I command them to be full and overflowing with the resurrection power of Holy Spirit.

I voice activate this same power that raised Christ from the dead throughout my entire spine. And my every vertebra, disc, ligament, tendon, nerve and nerve ending are recreated, regenerated, strengthened, healed, made whole, and pain-free.

I accept the power of His healing stripes over my brain. My memory is clear, refreshed and restored, and all my faculties are intact.

My bones and joints are strong and healthy from the inside to the outside.

My ankles, feet, arches, and toes, along with my neck, shoulders, elbows, wrists, and fingers are full of strength, healed and pain-free.

My digestive system is supernaturally cleansed, strengthened, and fully functional.

My immune system is miraculously recreated, and it does not attack my body, but heals it.

My heart and my lungs, my total respiratory system are at peace, and I breathe in the refreshing breath of Jesus.

My vision is 20/20, and my hearing is 100% normal for the glory of the Lord.

In Jesus' name, I declare this prayer of faith over my physical body, amen and amen.
